

# PENNY'S CORNER

## HELLO, FRIENDS!

Spring is my favorite time of the year! I just love flying in the sunshine and looking at the beautiful flowers that have bloomed. I also enjoy serving ice cold lemonade to my friends on a hot day!

Have you ever heard the word “entrepreneur”? It’s a big word that just means someone who starts his or her own business. Running your own business can be hard work, but it is also a fun way to earn money!

I enjoy testing out new lemonade recipes and visiting with friends and neighbors who stop by for a cup. I always donate some of the money I earn to organizations that help animals who live in the water like me!

Do you want to own your own business one day? Lemonade Day is a great day to get started! Ask an adult to visit our website at [www.SynergyBank.com/Lemonade](http://www.SynergyBank.com/Lemonade) to learn more and to register for a free Lemonade Day starter kit!
